Lows of Dundee are one of the largest distributors of industrial textiles and accessories in the UK. Based in Dundee, and with an extensive warehouse in Blackburn, we are well placed to send shipments all over the UK. Lows of Dundee have developed partnerships with suppliers from a number of countries across the world so that we can offer continuity of quality and supply for our standard products. With our primary partner, SIOEN, we also offer technical solutions in PVC coated textiles, developing customer specific products for specialist applications. We also offer production runs of products with a colour matching service for both standard and non standard products, including options such as duo colour, blackout, FR, lacquering and many more.

All Technical Data is indicative.
